After compliments,

Subject: Type Approval Certificate

This is in reference to your application dated 20/03/2012 requesting type approval for Other Radio Equipment. Please be advised that Other Radio Equipment, model: RLXIB-IHN is hereby type approved. Please find enclosed herewith the type approval certificate.

Please note that this certificate is not an authorization for your company to import such type of equipment. For this purpose, an authorization for the release of the equipment from the "customs" must be obtained from TRA for each of the consignments of telecommunications equipment imported by your company.

Best regards,
